

The Spring Rabies Clinic, sponsored by Waterloo Veterinary Clinic, will be held at the Jefferson County Fair Park this Saturday, March 16th, from 1:00pm to 3:00pm. Rabies vaccines cost \$10.00 each & will be good for 1 year unless a current rabies certificate is presented as proof of prior vaccination. Rabies tags cannot be accepted as proof of vaccination. All cats must be in carriers and all dogs must be on leash. Call the Humane Society of Jefferson County for more info! (920) 674-2048

This is a very cost effective way to meet the licensing requirements for dogs. Remember licenses are due by March 31st to the Town Treasurer! [Click here for more info.](#)

Robin Untz, Town Clerk
