NOTICE

Town Seeking Estimates-Potholes and Wedge Patching

The Town of Lake Mills is seeking estimates for asphalt road repair (potholes and wedge patching). The scope of work consists of filling approximately 180 potholes and 20 wedges (finish 1 large cul de sac) with hot/cold mix specified on the attached list and maps. The work estimate must include the following to perform the work to State of Wisconsin road repair standards:

Potholes

1. Price to properly clean and heat each hole
2. Estimated Labor hours
3. Volume of Hot Mix
4. Type of Hot Mix
5. Delivery Cost
6. Other specialized work

Potholes (approx.. 25 holes Cold mix-Crossman Rd)

1. Price to properly clean and heat each hole
2. Estimated Labor hours
3. Volume of Cold Mix
4. Type of Cold Mix
5. Delivery Cost
6. Other specialized work

Wedge Patching

1. Wedge area number measurements
2. Cutting and Cleaning repair area
3. Volume of Hot Mix
4. Type of Hot Mix
5. Labor Hours (or Job specification)
6. Associated Delivery Cost
7. Other specialized work

Each contractor must separate the type of work to be performed when estimating. It is preferable, but not a specification that a contractor perform both types of work described.

Please mail or drop off an estimate to the Town of Lake Mills Clerk, 1111 South Main St, Lake Mills, WI, **no later than June 3, 2021, 5:00pm**. The Town of Lake Mills reserves the right to ask additional questions of each contractor in regards to asphalt road repair. The Town of Lake Mills Board also reserves to right to select multiple contractors based on the scope of work to be performed. Any change order above and beyond the scope of the original estimate and signed contract must be approved by the Town of Lake Mills Board.

Estimates will be reviewed by the Town Board on June 8, 2021, 7pm at the Town Hall during the monthly meeting.

Robin Untz, Town Clerk
